AMENDMENT AFTER FINAL REJECTION

In response to the Official Action dated November 22, 2004, kindly amend the above identified application as follows:

IN THE CLAIMS:

Cancel all the claims appearing in the application and substitute the following new claims:

14. A device for postcoital positioning of a female user comprising:

a first planar surface extending vertically while said device is in use,

said first planar surface having an upper and a lower edge;

a second planar surface extending horizontally when said device is in use and extending perpendicularly relative to said first planar surface, said second planar surface having a front and a rear edge;

with said lower edge of said first planar surface extending contiguously with said rear edge of said second planar surface; and
